

## Fibre Tools and Accessories

### Cable Preparation

#### AM25 Jacket Remover

**Tyco Part Number:** 0-1155872-2

**Redeal Inventory Mat. No.:** 10013657

**Order Quantity:** Single tool

**Product Description:**

Weidmuller AM25 cable jacket remover, black metal. For 4mm to 40mm diameter cable.

**Relevant Documentation :** None

#### MK01A Jacket Remover

**Tyco Part Number:** 0-1155873-0

**TNZN Non Inventory Mat. No.:** 40003018

**Order Quantity:** Single tool

**Product Description:**

ABECO MK01A cable jacket remover, black plastic, with rollers. For 8mm to 25mm diameter cable.

**Relevant Documentation :** None

## Fibre Tools and Accessories

### Cord Preparation

#### Cord Strippers

**Tyco Part Number:** 0-1155860-3

**TNZN Non Inventory Mat. No.:** 40003019

**Order Quantity:** Single tool

**Product Description:**

Ideal 45-162 Coaxial Cable Stripper, grey plastic. For ring cutting and slitting up to 3.2mm diameter cord.

**Relevant Documentation :** None

**AMP Part Number:** 0-1155860-4

**Product Description:**

Ideal 45-163 Coaxial Cable Stripper, blue plastic. For ring cutting and slitting 3.2mm to 5mm diameter cord.

**TNZN Non Inventory Mat. No.:**

**Order Quantity:** Single tool

**Relevant Documentation :** None

#### Cord Stripper Blades

**Tyco Part Number:** 0-1155860-7

**Product Description:**

Replacement blades for Ideal 45-162 cord stripper.

**TNZN Non Inventory Mat. No.:** 40003020

**Order Quantity:** 3 straight & 1 curved in set.

**Relevant Documentation :** None

#### Kevlar Scissors

**Tyco Part Number:** 0-1155859-1

**TNZN Non Inventory Mat. No.:** 40003021

**Order Quantity:** Single tool

**Product Description:**

Klein Tools Inc. 2100-7, heavy duty scissors for trimming kevlar buffer. Hardened blade.

**Relevant Documentation :** None

## Fibre Tools and Accessories

### Splitting Tools

#### Tube Splitter, Blue

**Tyco Part Number:** 0-1155854-1

**TNZN Non Inventory Mat. No.:** 40003022

**Order Quantity:** Single tool

**Product Description:**

Siecor blue plastic tube splitter for loose tubes from 2.3mm to 2.8mm diameter.

**Relevant Documentation :** None

#### Tube Splitter, Red

**Tyco Part Number:** 0-1155854-2

**TNZN Non Inventory Mat. No.:** 40003027

**Order Quantity:** Single tool

**Product Description:**

Siecor red plastic tube splitter for cord from 2.7mm to 3.0mm diameter.

**Relevant Documentation :** None

#### Sub-duct Splitter

**Tyco Part Number:** 0-1155853-1

**Redeal Inventory Mat. No.:** 10013462

**Order Quantity:** Single tool

**Product Description:**

Condux 80129-00 Cable Jacket Splitter, metal with blue plastic handles. Used for splitting plastic tube, such as Telecom sub duct.

**Relevant Documentation :** None

# Fibre Tools and Accessories

## Tube Splitter

**Tyco Part Number:** 9-1200152-8

**Tyco Description:** FACC-AXIAL STRIPPER-RC1

**Order Quantity:** Single tool

**Product Description:**

Fibre buffer tube splitter for loose tubes from 1.8mm to 4.2mm diameter.

**Relevant Documentation :** None

## Tube Splitter

**Tyco Part Number:** 3-1191887-8

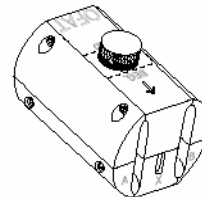

**Tyco Description:** FACC-AXIAL STRIPPER-01

**Order Quantity:** Single tool

**Product Description:**

Fibre buffer tube splitter for loose tubes from 2.4mm to 3.1mm diameter.

**Relevant Documentation :** None

## Sub-duct Splitter Blades

**Tyco Part Number:** 0-1155853-2

**TNZN Non Inventory Mat. No.:** 40002288

**Order Quantity:** Single tool blade

**Product Description:**

Replacement blades for Condux 80129-00 Sub-duct Splitter

**Relevant Documentation :** None

## Fibre Tools and Accessories

### Fibre Preparation

#### Buffer & Coating Stripper

**Tyco Part Number:** 0-1155852-1

**TNZN Non Inventory Mat. No.:** 40003029

**Order Quantity:** Single tool

**Product Description:**

Sumitomo, Sumiofcas JR-22, Metal plated buffer and coating stripper, 250, 400 and 900um, can be used on pigtails, loose tube, slotted core, and D-series building cable. Longitudinal pull action.

**Relevant Documentation :** None

#### Coating Stripper

**Tyco Part Number:** 0-1155855-1

**TNZN Non Inventory Mat. No.:** 40003030

**Order Quantity:** Single tool

**Product Description:**

Miller coating stripper, black metal with yellow plastic handles. Used to remove 250um Acrylate from fibre.

**Relevant Documentation :** None

#### Buffer Stripper

**Tyco Part Number:** 0-1155855-2

**TNZN Non Inventory Mat. No.:** 40003023

**Order Quantity:** Single tool

**Product Description:**

Miller buffer stripper, black metal with yellow plastic handles. Used to remove 900um buffer from fibre, leaving 250um Acrylate coating.

**Relevant Documentation :** None

## Fibre Tools and Accessories

### Radius Gauge

**Tyco Part Number:** 0-1155690-2

**TNZN Non Inventory Mat. No.:** 40003024

**Order Quantity:** Single tool

**Product Description:**

Fibernet green plastic gauge for checking 30mm minimum bend radius.

**Relevant Documentation :** None

## Fibre Tools and Accessories

### Cleaning Fibres and Connectors

#### Cletop A

**Tyco Part Number:** 0-1155856-1

**Redeal Inventory Mat. No.:** 20020531

**Order Quantity:** Single tool

**Product Description:**

Cletop reel type connector cleaner, green plastic housing. Cleans up to 400 connectors.

**Relevant Documentation :** None

#### Cletop Refill

**Tyco Part Number:** 0-1155856-2

**Redeal Inventory Mat. No.:** 20020533

**Order Quantity:** Single tool

**Product Description:**

Replacement cleaning reel for Cletop A. Lint free material.

**Relevant Documentation :** None

#### Cletop Stick

**Tyco Part Number:** 0-1155856-3

**Redeal Inventory Mat. No.:** 20021967

**Order Quantity:** 20 per packet

**Product Description:**

Stick type adaptor cleaner

**Relevant Documentation :** None

## Fibre Tools and Accessories

### Dusting Gas

**Tyco Part Number:** 0-1155771-5

**Redeal Inventory Mat. No.:** 20020864

**Order Quantity:** Single can

**Product Description:**

Tech Spray, Envirotech Duster, 1671. Blue and white pressurised can of inert dusting gas for cleaning of optical components.

**Relevant Documentation :** None

### Opto Wipes

**Tyco Part Number:** 0-1150956-1

**Redeal Inventory Mat. No.:** 10015258

**Order Quantity:** 200 per packet

**Product Description:**

Blue, lint free paper, connector cleaning wipes.

**Relevant Documentation :** None

# Fibre Tools and Accessories

## ISO Wipes

**Tyco Part Number:** 0-1155772-8

**Redeal Inventory Mat. No.:** 10013557

**Order Quantity:** Single can

**Product Description:**

Kimberly Clarke Isopropyl Wipes. Large Isopropyl impregnated wipes, suitable for cleaning tubes and cable jackets.  
 Contains 75, 43 x 14.3cm wipes.

**Relevant Documentation :** None

## Pump Pot

**Tyco Part Number:** 0-1155871-8

**TNZN Non Inventory Mat. No.:** 40003031

**Order Quantity:** Single pot

**Product Description:**

Menda, 6oz sealable container. Pump action lid with reservoir. Reservoir drains back to bottle. Suitable for use with Isopropyl alcohol.

**Relevant Documentation :** None

## Isopropyl Alcohol

**Tyco Part Number:** 0-1155772-4

**TNZN Non Inventory Mat. No.:** 40003016

**Order Quantity:** Single bottle

**Product Description:**

Fibernet 500ml bottle of Isopropyl alcohol. >99.8% pure.

**Relevant Documentation :** None

## Fibre Tools and Accessories

### Safety Equipment

#### Fibre Can

**Tyco Part Number:** 0-1155770-1

**TNZN Non Inventory Mat. No.:** 40002519

**Order Quantity:** Single

**Product Description:**

Fibernet white plastic canister with screw top, for the safe disposal of bare fibre ends. Canister is approved for burial in landfill.

**Relevant Documentation :** None

## Fibre Tools and Accessories

### Installation and Testing Instruments

#### Glotracer

**Tyco Part Number:** 0-1150082-1

**TNZN Non Inventory Mat. No.:** 40003041

**Order Quantity:** Single

**Product Description:**

Fibernet laser light source (635/650nm) for visible fault finding and fibre identification. Green/grey plastic housing. Available with FC/SC/ST/DIN/FC-APC/SC-APC connector.

**Relevant Documentation :** None

### Mechanical Splicing

#### Siecor CamSplice Assembly Fixture

**Tyco Part Number:** 0-1155857-1

**TNZN Non Inventory Mat. No.:** 40003040

**Order Quantity:** Single

**Product Description:**

Black metal jig for use when assembling the Siecor CamSplice.

**Relevant Documentation :** RXS Data sheet

## Fibre Tools and Accessories

### Siecor CamSplice

**Tyco Part Number:** 0-1155800-1

**Redeal Inventory Mat. No.:** 10014219

**Order Quantity:** Packet of six.

**Product Description:**

Siecor mechanical splice, black plastic, suitable for 250 to 900um fibre.

**Relevant Documentation:** RXS Data sheet.

### Index Matching Gel

**Tyco Part Number:** 0-1155772-5

**TNZL Non Inventory Mat. No.:** 40003039

**Order Quantity:** 6gm

**Product Description:**

Norland Index Matching Liquid, 9006. Prevents reflections within mechanical splices. Includes applicator syringe.

**Relevant Documentation :** None

## Fibre Tools and Accessories

### Labels and Numbering

#### 3A Laser Hazard Label

**Tyco Part Number:** 0-1155040-4

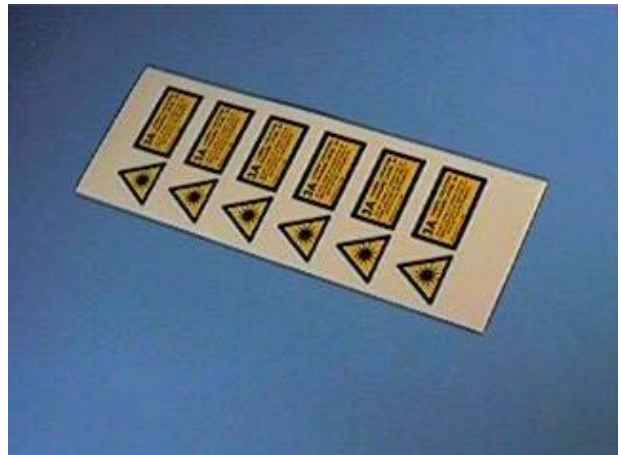

**TNZN Non Inventory Mat. No.:** 40003038

**Order Quantity:** sheet of 6

**Product Description:**

Yellow self adhesive laser warning label.  
AS per AS/NZS 2211.2 1997

**Relevant Documentation :** AS/NZS 2211.2 1997

#### SFO Drawer Label

**Tyco Part Number:** 0-1155040-2

**TNZN Non Inventory Mat. No.:** 40003037

**Order Quantity:** Single

**Product Description:**

Self adhesive label, used on OFDF inside front panel, to record fibre routing within SFO.

**Relevant Documentation :** None

#### Patch Panel Drawer Label

**Tyco Part Number:** 0-1155040-1

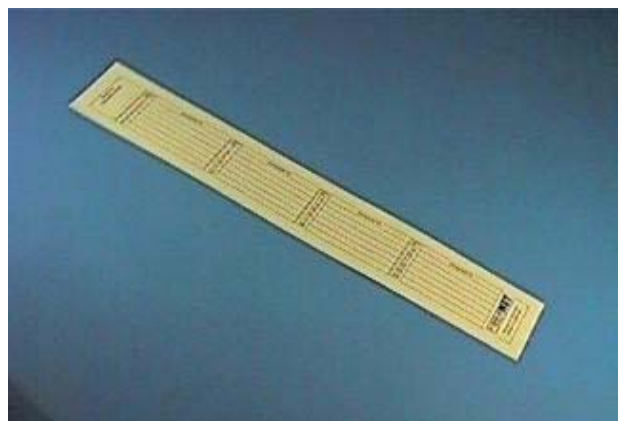

**TNZN Non Inventory Mat. No.:** 40003036

**Order Quantity:** Single

**Product Description:**

Self adhesive label, used on OFDF inside front panel, to record fibre routing on a patch panel.

**Relevant Documentation :** None

## Fibre Tools and Accessories

### AM/FM Label

**Tyco Part Number:** 0-1155040-3

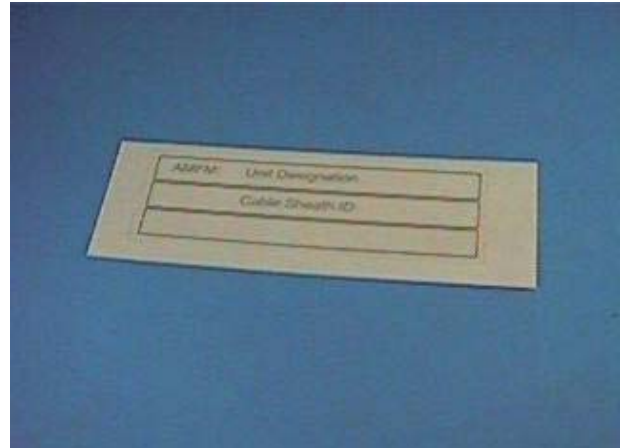

**TNZL Non Inventory Mat. No.:** 40003035

**Order Quantity:** Single

**Product Description:**

Self adhesive label, used on OFDF outside front panel for AM/FM labelling. As required by TNZL Task Handbooks.

**Relevant Documentation:** TNZL Task Handbooks.

## Fibre Tools and Accessories

### K-Type Marker Starter Kit

**Tyco Part Number:** 0-1155870-2

**TNZN Non Inventory Mat. No.:** 40003034

**Order Quantity:** Single

**Product Description:**

Black on yellow.

Kit includes:

- 150 x characters 2-9
- 300 x character 0
- 400 x character 1
- 300 x character -
- 150 x each letter A and B
- 150 x carrier strips
- 100 x cable ties
- 150 x each of six letters of your choice.

**Relevant Documentation :** None

### Critchley Marker Carrier

**Tyco Part Number:** 0-1155870-0

**TNZN Non Inventory Mat. No.:** 40003033

**Order Quantity:** Box of 250

**Product Description:**

Critchley cable identification marker carrier 1130, attaches to cable or duct using two cable ties, holds up to 18 digits.

**Relevant Documentation :** None

## Fibre Tools and Accessories

### Critchley Marker

**Tyco Part Number:** 0-1155870-1

**TNZN Non Inventory Mat. No.:** 40003032

**Order Quantity:** Reel of 500

**Product Description:**

Critchley elliptical profile marker 1361, black on yellow.

Fits cables 4.2 to 7mm diameter, and carrier strip.

**Relevant Documentation :** None
